

## Outstanding people

1. There are a lot of famous people among Belarusians: writers and poets, politicians and cosmonauts, artists and sportsmen.
2. They are historic figures and our contemporaries.
3. I would like to mention some of them.
4. First of all, they are the enlighteners from the past: Francisk Scoryna, Euphrosynia Polotskaya, Kirill Turovsky.
5. Francisk Scoryna is the most prominent figure, as being an outstanding scientist and humanist, he translated the Bible into the old Belarusian language.
6. Next there are famous writers and poets. The names of Y. Kupala, M. Bogdanovich, V. Korotkevich, Vlasil Bykov are world-famous.
7. There are examples of talented Belarusians who went abroad and contributed a lot into the culture, economy and science of other countries.
8. For example, the world-famous artist Marc Chagall was born in Belarus.
9. Finally, the names of Darya Domrachova and Maxim Mirny are among world famous sportsmen.
10. So, you see, our country is a talented nation.
